Letter of Commitment for the NFDI-Initiative Text+: Language- and Text-based Research Data Infrastructure

Dear Prof. Dr. Hinrichs,

I hereby express my commitment to contribute relevant knowledge and skills to the design, management and operation of Text+, the research data infrastructure for language and text based data. In particular, I would be happy to engage in the Scientific Coordination Committee for the area of editions, which I will chair in the first term. This committee is part of the governing structure of Text+ and will regularly meet and discuss the priorities, workplan and progress in this data domain.

Sincerely,

(Prof. Dr. Verena Klemm)
